

Anna and Simeon Blessing

What do we need blessing for?

To help us become the people God wants us to be
To encourage us to live out our aspirations and our dreams
And to remind us that we are not alone as we journey through life

So God of Anna and Simeon
grant us the courage to stand out from the crowd
and help us speak your words of justice and peace

God of the baby Jesus cradled in parents arms
encourage us as we grow and mature to reach for the stars
and live out our aspirations and our dreams

God of all the people who accompany Jesus on his journey
remind us that we are not alone on the journey
that we travel together in community with God and with one another.
