

Bread Not Stones

For anyone that knows me it would be easy to guess where the image for this prayer came from! In the early 1990's I began my journey into feminist theo/alogy with the discovery of Elisabeth Schüssler Fiorenza and her book on Biblical interpretation called Bread Not Stone.

May the God who gives us bread not stones
help us draw up the rules for life

May the God who gives us bread not stones
help us know when to bend the rules

May the God who gives us bread not stones
enable us to share bread with each other

May the God who gives us bread not stones
enable us to share bread with the world.
