

## Carol Blessing

We have sung our carols  
and pray  
that they may match your harmonies  
that someone might hear  
and want to join your choir.

We have sung our carols  
and listen  
for the coming of your son  
for the coming of Shalom  
and perfect harmony.

We have sung our carols  
and pledge  
our lives to more than music  
our lives to love in action  
and building perfect peace.

So at this Advent tide  
we join with all your people  
in looking forward  
hope against hope  
to the coming of a baby  
who will change us  
and change the world.
