

## Living In The Moment

*Life seems to pass by so quickly. Children grow up, decades come and go. We can be so busy we gallop through life and miss the point of life. This blessing celebrates that God is with us every moment and can teach us to live in the moment and make each moment sacred. Seize the Day!*

May the God who makes every moment,  
give you life;

May the God who shares every moment,  
give you love;

And may the God who makes every moment holy,  
give you joy;  
Now,  
and every day.
