

## Doubt And Explore!

*Personally I don't think you can have faith without doubt- they are two side of the same coin. It is doubt that sets us questioning and in faith we go exploring.*

God calls us together  
Not to be certain  
But to doubt  
Not to know  
But to explore  
Not to command  
But to lead

Draw near with faith  
Draw near with doubt  
Draw near with hope  
Draw near with fear

Be with us  
Be welcome  
Be God
