

Marjorie's Call

This prayer was dedicated to Marjorie, one of the members of the congregation from a generation that has now sadly gone – but her memory lives on. Every week, Marjorie used to put something in our “birthday box” originally to support “overseas mission” but more recently given to a local project welcoming refugees and asylum seekers. It didn't matter if it was her birthday or not, or anyone else's birthday or anniversary – her reasoning was that every Sunday was a special day for someone!

Put a coin in the birthday box
It's someone's birthday.
Slice a cake of celebration
Someone's getting married.
Sing hymns of praise
It's someone's baptism.
Weep with those who mourn
For somewhere someone has died.

Every day is special
Every day is hallowed
For every day, God is with us.
