

## One Of Us Blessing

*What if God was one of us? (quoted from the refrain of Joan Osborne's song, "One of Us")*

May the blessing of God who created us as one human race  
and celebrates our diversity and difference  
Go with us.

May the blessing of the Christ-child born as one of us  
who laughs and dines and cries and loves  
Go with us.

May the blessing of the Spirit who creates community  
And challenges us to see God in each person  
Go with us.
