

Here And Now

It's time to worship
time to meet in God's presence.
OK, I'll be there in an hour or so
No, the time is now.
In an hour we'll have finished.
I just need to finish what I'm doing
Well, that's your choice,
but we're starting now.
I'm just getting to the good bit
But we're all gathered and waiting
We're going to worship God.
Here
and now.
