

I Want...

I want chocolate cake
But I need food.

I want a Wii and PlayStation in my room
But I need a roof over my head.

I want the toys I see in the adverts
But I need a safe place to play.

Loving God,
Help us to see that "I want"
sometimes means that others "don't get".

Loving God,
Help us to share what we have
and to let others give to us.

Loving God,
Help us not to get angry with one another
but to live together in peace.
