

Joel's Exodus

This call to worship was written by Joel when he was 7 years old when we did a series looking at the Exodus story. You can also see the video that the children made by following the Multimedia page and clicking on the link to Obi Wan Kenobi Crosses the Red Sea.

Come gather to hear the tales
of how military power fails:

People in a camp
guided by a lamp
Everybody crossing
Nobody stopping
Walk through the tide
Come to the other side

Come, hear the song
it is so long.
