

## Real Life Worship

Come gather  
from your homes and health centres  
from your schools and shops  
from your businesses and banks  
from your parks and pubs

Come gather  
from your hospitals and hotels  
from your museums and music halls  
from your job centres and justice courts  
from your supermarkets and surestart centres

Come gather  
from your factories and farms  
from your libraries and laboratories  
from your garages and garrisons  
from your call centres and cinemas

Come gather  
from your daily lives  
to explore your faith  
for the two are not separate  
but an integral whole.
