

Dancing In Light

This call to worship formed part of our pre-advent series on the theme of celebrating God's presence in both darkness and light, but it could be used at any time of year with any Biblical passage on the theme of light or with one of the creation stories.

Light

Bright white

Dazzling

Penetrating

Hot

Energizing

Announcing

Challenging

Bursting with colour

Come and experience the God who dances in light

Come and contemplate the God who reveals truth and justice

Come and journey with the God who shakes our certainties

Come and worship the God who dreams of hope.
