

## Easter How Can We...?

How can we sing songs of resurrection  
When children still die too young?

Because two thousand years ago Jesus rose from the dead.  
Because today we pledge ourselves to work for new life.

How can we sing songs of resurrection  
When war still scars our world?

Because two thousand years ago Jesus rose from the dead.  
Because today we pledge ourselves to work for new life.

How can we sing songs of resurrection  
When pollution disfigures our planet?

Because two thousand years ago Jesus rose from the dead.  
Because today we pledge ourselves to work for new life.

How can we sing songs of resurrection  
When super-rich bankers steal from the poor?

Because two thousand years ago Jesus rose from the dead.  
Because today we pledge ourselves to work for new life.

How can we sing songs of resurrection  
When hard-working labourers cannot find jobs?

Because two thousand years ago Jesus rose from the dead.  
Because today we pledge ourselves to work for new life.

How can we sing songs of resurrection  
If our singing is never heard?  
How can we sing songs of resurrection  
If the doors of our church remain locked and barred?  
How can we sing songs of resurrection  
If our singing does not bring beauty into the world?

Risen Christ  
Hear our songs  
Risen Christ  
Set our words to music  
Risen Christ  
Teach us to dance.
