

The Great Feast

Feasting God,
We thank you for food to eat and friends to share it with
Help us to welcome others as you welcome us.

Hungry God,
We remember those who don't have enough to eat or eat alone
Help us to welcome others as you welcome us.

Celebrating God,
We thank you that we can express ourselves in the clothes we wear
Help us to welcome others as you welcome us.

Out-of-place God,
We remember those who feel out of place or who are bullied for being different
Help us to welcome others as you welcome us.

Inclusive God,
We thank you for the many different cultures and customs that brighten up our world
Help us to welcome others as you welcome us.

Left-out-God
We remember those who struggle to make a new life for themselves here.
Help us to welcome others as you welcome us.

Feasting God
Help us share your feast with the world.
