

Ode To Wisdom

A fleeting movement seen out of the corner of an eye
as wisdom dances, a mere hint of her presence

A fluttery feeling in the depths of the soul
as wisdom reveals her presence in the depths of our conscience

A shiver running up the spine and hair standing on end
as wisdom calls to us, enticing us to join her journey

A start of recognition and jolt of surprise
as wisdom raises her voice from the unlikeliest of places

For in all her elusiveness and mystery it is wisdom who seeks us out
crying out to all who live, that all may have life.

So come, let us join together as even the stones cry out:
"blessed is the One who comes bringing peace to earth and glory to the heavens".
