

A Caim prayer for all ages

A Caim prayer is a Celtic encircling prayer. You may like to say this prayer while drawing an imaginary circle around yourself or invite those that would like to, to accompany you while you walk in a circle around your congregation while everyone says the prayer together.

Christ encircle us
Keep out all that would hurt us
Keep your creation safe

Christ encircle us
Keep us from hurting those around us
Keep everyone safe

Christ encircle us
Keep us from hurting ourselves
Keep us safe

Christ encircle us
enfold your arms around us
and give us faith to go out and live.
